PRODUCT DESCRIPTION

The Seta collection represents the absolute quintessence of elite nappa leather. Sourced exclusively from premium European origins, it celebrates the organic beauty of the hide through a beautifully transparent, authentic aesthetic. Crafted with an exquisitely fine thickness and a delicate semi-aniline finish, Seta preserves the legendary, buttery softness and natural grain signatures inherent to world-class leather. Free from heavy, artificial alterations, each individual hide remains a unique, one-of-a-kind canvas—bringing an unparalleled sense of weightless elegance and timeless luxury to high-end leather goods and couture interior furnishings.
